

Beer of the Month Club

We have created a *Beer of the Month Club!* (Just in time for Father's Day!) It is a fun and easy way for you to try new beers without having to spend a lot of time selecting them. It will give you an opportunity to be the first to try some of our new beers.

Your beer helpers at The Winnetka Wine Shop have made this process easy so you can maximize your time enjoying the beer.

Price Levels: You can select Price Level One for \$25.00 per month or Price Level Two for \$40.00 a month. In Price Level One you might receive a mixed six pack and a large format bottle one month and two mixed six packs the next month always totaling \$25.00. In Price Level Two you might receive a mixed case of beer one month and three large format bottles the next, each month your items will total \$40.00.

This is a great way for you to try new beers or give your friends this opportunity. The Winnetka Wine Shop Beer of the Month Club membership is a great gift!

Each Month: Your beers will be ready for pick up the first Friday of every month. All you have to do is show up; pay and you will be on your way with some exciting new beers to try.

Payment Methods: For security reasons we cannot store your credit card so you will need to pay for your beer of the month when you pick up your beer unless you prepay for a three month, six month or year membership. (This is also a great gift to give!)

How to Cancel: You can opt out of any month! Just let us know and hopefully you'll be back the next month!
